Deferring Your Offer: Frequently Asked Questions

Huai Sai Thong University (HSTU), Roi Et · Office of Undergraduate Admissions · Ref. ADM-FAQ-2026-07 · Version 2.1 · Updated 14 September 2026

This FAQ is for applicants who hold a confirmed undergraduate offer for the 2027 intake at Huai Sai Thong University and wish to postpone their start by one academic year. It replaces Version 1.4 of March 2025. If an answer here differs from an email you received before 14 September 2026, this FAQ applies.

1. Eligibility

Who can ask to defer an offer?

Any applicant who has accepted an unconditional offer, or a conditional offer whose conditions have already been met, may apply. You must also have paid the 3,000-baht seat confirmation fee. Applicants admitted through the Portfolio Round and the Direct Admission Round are eligible. Applicants admitted through the Faculty Scholarship Quota are not eligible, because quota places are tied to a specific intake year.

Can every programme be deferred?

Most programmes allow deferral. The exceptions are the Bachelor of Nursing Science and the Doctor of Veterinary Medicine, where clinical placement places are planned for each cohort. Applicants to these two programmes who need to postpone must withdraw and apply again in the following admission cycle.

How long can I defer?

One academic year only. A 2027 offer can be moved to the intake starting in August 2028, never later. Until the 2025 intake, two-year deferrals were allowed for national service; this exception has been removed for all offers issued from 1 October 2025.

2. Applying for deferral

When is the deadline?

Deferral requests for the 2027 intake must be submitted by 16:00 on Friday 30 April 2027. Requests received after this time are only considered for documented medical or family emergencies, and no later than 31 May 2027.

How do I submit a request?

1. Log in to the HSTU Applicant Portal with the applicant number shown on your offer letter.
2. Open the "My Offer" tab and choose "Request deferral".
3. Write a personal statement of no more than 500 words describing what you plan to do during the deferral year.
4. Upload supporting documents as PDF files of at most 5 MB each, for example a job offer, a volunteer placement letter or a medical certificate.
5. Pay the non-refundable deferral processing fee of 1,500 baht by QR payment within 3 working days. The request is not reviewed until the fee is received.

Fictional document created for testing a question-answering system. All names, figures and organisations are invented.

You will receive an automatic acknowledgement email with a request number beginning with "DEF-". Keep it for all later contact.

3. Review and decision

Who decides on my request?

Requests are first checked for completeness by the Deferral and Re-entry Officer, Ms Pimchanok Lertwattana, who may ask you for missing documents. The decision itself is made by the Assistant Dean for Admissions, Asst. Prof. Dr. Somkiat Inthaphan, after consulting the programme chair. The programme chair gives advice but does not approve or reject requests.

How long does the review take?

A decision is normally sent within 15 working days of the date your fee is received.

What happens to my seat confirmation fee?

If the deferral is approved, your 3,000-baht seat confirmation fee is carried forward to the 2028 intake and you do not pay it again. If the request is refused, your original 2027 offer remains valid and you may still start in August 2027.

4. During the deferral year

Do I need to confirm that I am still coming?

Yes. Every deferred student must reconfirm their place in the Applicant Portal between 1 and 31 March 2028. Students who do not reconfirm in this window lose the deferred place and the carried-forward fee. A reminder is sent by email and SMS on 1 March and on 20 March 2028.

May I study at another university while my place is deferred?

You may take short courses, language classes or online modules of up to 12 credits in total. If you enrol in a full degree programme at another institution, the deferred HSTU place is cancelled.

> **Note on scholarships.** Merit scholarships awarded with a 2027 offer are held for deferred students only if the scholarship letter says "deferrable". All other scholarships are cancelled on deferral.

5. Fees and contact

Will my tuition fee change?

Deferred students pay the tuition rate published for the 2028 intake, not the 2027 rate. For most programmes the 2027 rate is 21,500 baht per semester.

How can I contact the Admissions Office?

Email deferral@admissions.hstu.example, call 043 518 220 (Monday to Friday, 08:30 to 16:30), or visit Room 112, Ground Floor, Rattana Building, main campus, Roi Et.
