SUBJECT: Making the Island Lane Reserve permanent for the 2027 summer timetable

1. DECISION

The Board has decided to continue the Island Lane Reserve, which keeps deck space for island resident card holders and registered supply lorries, on all departures from Split between **1 June 2027 and 30 September 2027**; return sailings are not covered. During the 2026 pilot (1 June to 30 September 2026) the Split–Supetar reserve was 40 lane metres per departure and the resident no-show charge was EUR 10.00; Tables 1 and 2 replace these values.

- Written appeals against a no-show charge go to Marina Bilić, Head of Customer Accounts, within 8 days of the sailing; Duje Matošić, Port Terminal Manager, decides only on appeals she refers to him.
