Daenglift to Delete Precise Trip Routes after 30 Days

Press release · Lanna Lift Mobility Co., Ltd. · Ref. PR-2026-09 · For immediate release, 1 October 2026

CHIANG MAI, 1 October 2026 – Lanna Lift Mobility Co., Ltd., the operator of the Daenglift app for booking shared red-truck rides in Chiang Mai and Lamphun, today announced shorter limits on how long it keeps personal data. The changes follow a privacy review completed in August 2026 and cover all riders and the 1,240 driver partners.

1. What changes on 1 November 2026

- **Precise GPS route of each trip:** deleted 30 days after the trip. Until 31 October 2026 these routes were kept for 18 months.
- **Pickup and drop-off areas:** kept for 12 months, rounded to an area of about 500 metres, for fare disputes.
- **Payment and receipt records:** kept for 5 years (unchanged).
- **In-vehicle camera footage:** kept on the driver's camera for 14 days, then overwritten. If an incident report is filed within those 14 days, the footage is copied to secure storage and kept for up to 180 days.
- **Closed accounts:** erased within 30 days of the deletion request (previously 90 days), except payment records.

Exception. If a rider or driver has an open complaint or safety report about a trip, the precise route of that trip is kept until the case is closed, but never longer than 12 months after the trip. It is then deleted.

2. Faster access to your own data

Riders can ask for a copy of the data Daenglift holds about them in the app under Settings › Privacy › My Data. From 1 November 2026 the company will answer within 15 days instead of 30. The first copy in any 12 months is free; each further copy in the same 12 months costs 100 baht, charged to the Daenglift wallet.

"After a month we do not need a rider's exact route home, so we will not keep it," said Kanyarat Phetchompoo, Data Protection Officer. "Complaints about how we handle personal data should come to my team; we reply within 7 working days."

3. Contacts

Data protection questions and complaints: Kanyarat Phetchompoo, Data Protection Officer, dpo@lannalift.example, or by post to 88/4 Chang Phueak Road, Chiang Mai 50300.

Media contact: Pakorn Siriwattana, Communications Manager, press@lannalift.example (media enquiries only; data requests sent here are not processed).
