Notice to Registered Runners: New Start Area, Earlier Wave Times and Bib Transfer Window

Lampang Wang Riverside City Marathon 2026 · Nakhon Lampang Road Running Club · Ref. WRCM-N-2026-07 · Issued 1 October 2026

This notice is for every runner registered for the Lampang Wang Riverside City Marathon 2026, which takes place on Sunday 13 December 2026. It explains the new start area, new start times and how to transfer, change or defer your entry. It replaces Notice WRCM-N-2026-04 of 2 July 2026.

1. Why the start area is moving

Embankment repairs will close the riverside road between the old wooden bridge and Kad Kong Ta street from 1 December 2026 to 31 January 2027, so our original start line cannot be used. All distances will now start from the north car park of the Lampang Municipal Stadium on Phahonyothin Road. The finish line stays where it was, on the lawn of Wang Riverside Park.

2. New start times and cut-off times

Because of the high temperatures recorded at the 2025 event, every wave now starts earlier than first announced:

- Full marathon (42.195 km): 03:30, previously 04:00.
- Half marathon (21.1 km): 04:45, previously 05:00.
- 10 km run: 05:30, previously 06:00.
- 5 km Family Fun Run: 06:15, previously 06:30.

The overall time limit for the full marathon remains 6 hours 30 minutes, so the full marathon course closes at 10:00. There are two intermediate cut-off points for full marathon runners: the 21 km point on the river path must be passed by 06:45, and the 32 km point at Wat Pong Sanuk junction must be passed by 08:20. The half marathon has a time limit of 3 hours 30 minutes, which means its course closes at 08:15. The 10 km and 5 km have no cut-off.

Note. Start pens close 15 minutes before each wave start. Late runners start at the back of the next wave, but their own wave's gun time is used for their result.

3. Race pack collection

Race packs (bib with timing chip, shirt and shuttle pass) are collected at the Lampang Convention Hall, Room B2, on Friday 11 December 2026 from 12:00 to 20:00 and on Saturday 12 December 2026 from 09:00 to 18:00. There is no collection on race morning. Bring your registration QR code and an identity card.

A friend may collect your pack if they bring a signed authorisation letter and a copy of your identity card. One person may collect a maximum of 3 packs for other runners. Runners in the full marathon must also

sign the medical declaration at the counter in person, so their packs cannot be collected by another person.

4. Transferring your entry to another runner

We are opening a bib transfer window from Thursday 15 October 2026 to Sunday 15 November 2026 at 23:59. Transfers are made in the runner portal under "My Entry"; the fee is 300 baht per transfer. Each entry may be transferred once. A bib worn by anyone other than the registered runner leads to disqualification.

The new runner must meet the age limit of the distance on race day: 18 years or older for the full marathon, 16 or older for the half marathon, and 12 or older for the 10 km. The 5 km Family Fun Run has no age limit.

Three kinds of entry cannot be transferred: charity places paid for by a partner foundation, Elite Wave entries (given on the basis of a verified personal time), and free entries given to sponsors, staff and volunteers.

5. Changing your distance

You may move to a shorter distance free of charge until Monday 30 November 2026. The price difference is not refunded. Moving to a longer distance is possible until the same date if places remain, and you must pay the difference in entry fee. The entry fees are 1,200 baht for the full marathon, 900 baht for the half marathon, 650 baht for the 10 km and 400 baht for the 5 km.

To move up to the full marathon you must also upload proof of a finished half marathon or longer race completed after 1 June 2025, with a finish time of 2 hours 45 minutes or faster.

6. Deferral to 2027 and refunds

If you cannot take part because of the new start area or the earlier times, you may defer your entry to the 2027 event for a fee of 200 baht. Deferral requests must be made through the portal by 15 November 2026. A deferred entry cannot be deferred again. Charity places and Elite Wave entries may be deferred, unlike transfers.

Entry fees are not refunded, with one exception. A runner who cannot run because of illness or injury may receive a refund of 50 % of the entry fee if they send a medical certificate dated within 14 days before the request. Medical refund requests close on 4 December 2026 and are decided by the Medical Director, not by the Runner Services team.
