Deck-to-Dock Refrigeration Evening Certificate

Call for Applications, Intake 2027/1 · Mahachai Phanthai Technical College · Ref. CFA-RAC-2027-01 · Issued 5 October 2026

1. About the programme

The Deck-to-Dock Refrigeration Evening Certificate trains working adults to service cooling systems on fishing vessels and in small cold stores around Samut Sakhon. The 18-week course runs from Monday 11 January 2027 to Friday 14 May 2027, with classes on Monday, Wednesday and Friday from 18:00 to 21:00 in Workshop R-4 (Building 3). Six Saturday sessions are held on a training vessel at Pier 2, Tha Chalom. The intake has 24 places. Programme Coordinator: Mr. Anuwat Plaiphrao, Room 302, Building 3.

2. Who can apply

- Applicants must be at least 20 years old on 11 January 2027 and hold a lower-secondary (Mor 3) certificate or higher.
- At least one year of paid work in fisheries, seafood processing, cold storage or electrical repair is required.
- Without that experience, holders of a vocational certificate (Por Wor Chor) in electrical power or mechanics may apply but must pass the entry practical test (Section 4).

3. Fees and support

Tuition is 7,800 baht per applicant, payable in three equal instalments of 2,600 baht, the first due at enrolment. A separate tool and safety kit fee of 1,450 baht is paid once at enrolment. Until the 2026/2 intake, tuition was 6,900 baht. Holders of a Samut Sakhon Fisheries Crew Card receive a tuition discount of 30 %; the discount does not apply to the kit fee.

4. How to apply

1. Collect form RAC-E1 from the Registry Office (Building 1, Room 104).
2. Attach copies of your ID card and highest certificate, plus an employer work letter signed within the last 6 months (if applying on work experience).
3. Submit the form at Room 104 by 16:00 on Friday 27 November 2026.
4. Applicants relying on a vocational certificate sit a 90-minute entry practical test on Saturday 5 December 2026 at 09:00 in Workshop R-4.
5. Results are posted on 14 December 2026; places must be confirmed by paying the first instalment and kit fee by 22 December 2026.

5. Completion

Students must attend at least 80 % of sessions, including all six Saturday vessel sessions, and pass the final practical assessment. One missed vessel session may be made up with the next intake free of charge.
