Fixed-Term Pipe Fitters (4 Positions) – Phu Lom Hill Resort Riser Retrofit

Nam Yen Duct & Drain Co., Ltd., Nakhon Ratchasima · Ref. NYD-REC-2026-07 · Posted 21 September 2026

1. About the project

Nam Yen Duct & Drain is an air-conditioning and plumbing contractor with 46 staff. We have been awarded the replacement of all chilled-water and domestic hot-water risers in the 112-room Phu Lom Hill Resort, Pak Chong. The resort stays open during the works, so we replace one wing at a time, and noisy cutting is allowed only from 09:00 to 17:00. Work starts on 2 November 2026 and the contract runs for 7 months, ending on 31 May 2027.

2. What you will do

- Remove old galvanised risers and install pre-insulated copper and PP-R pipework in service shafts.
- Braze copper joints, pressure-test each riser section and record the result on the daily test sheet.
- Reconnect fan-coil units in guest rooms and leave each room clean.

3. Requirements

- At least 2 years of work as a plumber, pipe fitter or air-conditioning installer.
- A valid Level 1 Refrigerant Handling Card. Applicants who do not yet hold the card may still apply if they have a confirmed test date on or before 25 October 2026; any offer is then conditional on passing.
- Able to work at height in shafts with a harness and to lift 25 kg.

4. Pay and conditions

Day rate: 720 baht for a standard 8-hour shift, six days a week (Monday to Saturday). Until this project, our standard fitter day rate was 650 baht. A completion bonus of 6,000 baht is paid to fitters who stay until 31 May 2027. A company minibus leaves our Korat yard at 06:15 each morning. Safety boots, harness and overalls are issued free on day one.

5. How to apply

1. Send your CV, a copy of your ID card and your Refrigerant Handling Card (or test booking) to Nattaya Klinkaew, HR Officer, at jobs@namyen-dd.example or in person at 88/4 Mittraphap Road, Nakhon Ratchasima.
2. Shortlisted applicants attend a practical brazing and pressure-test session at our yard on 14 or 15 October 2026. The session is run and scored by Site Foreman Anucha Bunsiri.
3. Offers are sent by 20 October 2026.

Note. Closing date: 10 October 2026 at 17:00. Questions about the practical session go to the Site Foreman; questions about documents, pay or contracts go to the HR Officer.
