Residents' FAQ: Night Filming of "The Lantern Ferry" on Charoen Rat Road

Saeng Plai Pictures Co., Ltd., Chiang Mai · Location notice LOC-LF-03 · Version 2 · Issued 21 September 2026

Saeng Plai Pictures will film night scenes for its feature film "The Lantern Ferry" along the Ping River in the Wat Ket area. This FAQ is for residents of Charoen Rat Road between Nawarat Bridge and Soi 3.

1. When will filming take place?

Filming is set for six nights: 12, 13, 14, 19, 20 and 21 October 2026. Cameras roll from 19:00 to 02:30 and the street is cleared by 04:00. Version 1 of this notice listed 5–7 October; these dates were dropped. If heavy rain stops work, a lost night is replaced on 26 October only.

2. Will the road be closed?

No. Marshals hold traffic for up to 3 minutes per take. The riverside lane is closed to vehicles from 18:00 to 03:00, but stays open on foot.

3. Can I park outside my house on filming nights?

No street parking is allowed between Nawarat Bridge and Soi 3 from 15:00 on each filming day until 04:00 the next morning. Cars left there are moved, at our cost, to the Wat Ket temple car park. Holders of a green resident pass may still park in their own driveway if they enter before 18:00 or after 03:00.

4. What about noise and light?

Generators are parked at the Soi 3 end, at least 40 metres from any home. Households facing the river may ask for free blackout curtains, fitted before 10 October.

5. Is any compensation paid?

Each registered household or shop on the affected stretch receives a goodwill payment of 1,800 baht for the six nights. Shops that agree to close their front for the whole shoot receive 4,500 baht instead. Payment is by bank transfer within 14 days of the last night.

Note. Property damage is not covered by this payment. Report it within 7 days to our insurance coordinator, Mr. Thanakorn Sitthiwong.

6. Who do I contact?
