How to Borrow Tents, Chairs and Sound Equipment for a Household Ceremony

Don Sawan Kham Town Municipality, Maha Sarakham · Ruam Jai Ceremony Equipment Loan Service · Guide CS-G-2026-07 · Issued 1 October 2026

The Ruam Jai Ceremony Equipment Loan Service lends municipal tents, chairs, tables and a portable sound system to households holding a funeral, ordination, wedding, housewarming or merit-making ceremony at home. This guide replaces guide CS-G-2024-03 and applies to bookings made from 1 October 2026.

1. Who may borrow

Any household whose address is in the house registration of one of the 13 communities of Don Sawan Kham Town Municipality may borrow equipment. The person who signs the booking must be at least 20 years old and listed in that house registration. Temples and schools book through the Community Development Section instead. Households outside the municipality, including those in the neighbouring Don Sawan subdistrict, are not eligible.

Each household may make up to 2 non-funeral bookings per calendar year. Funeral bookings do not count towards this limit.

2. What you can borrow

One booking may include up to 6 tents (4 × 8 metres, with side curtains), 200 plastic chairs, 20 folding tables, 4 standing fans and 1 portable sound system with two microphones. Lighting, generators and cooking equipment are not lent.

3. Charges and deposit

Funeral bookings are free of charge, including delivery and setting up, and no deposit is required. For all other ceremonies the charges per booking are:

- Tent: 300 baht each (200 baht until 30 September 2026).
- Plastic chair 3 baht, folding table 20 baht, standing fan 50 baht each; sound system 500 baht.
- Delivery, setting up and collection by the municipal crew: 400 baht.
- Refundable deposit: 1,000 baht, returned in cash after the inspection on collection.

Households may fetch chairs, tables and fans themselves to avoid the delivery charge, but tents are only put up by the municipal crew, so any booking with a tent pays it.

4. Step-by-step booking

1. Check availability for your dates by calling the equipment store on 043 771 245, or on the municipality's LINE account under "Ruam Jai".
2. Complete form CS-12 at the Citizen Service Counter, Room 104, ground floor of the municipal office, Monday to Friday, 08:30 to 16:30. Bring your ID card and a copy of your house registration.

Fictional document created for testing a question-answering system. All names, figures and organisations are invented.

3. Book at least 7 days before the first day of use and no more than 60 days ahead.
4. Pay the charges and deposit at the cashier in Room 106. Your receipt number starts with "RJ-"; quote it in every later call.
5. The crew delivers and sets up the equipment on the day before your ceremony, between 13:00 and 17:00. An adult from the household must be present to sign the delivery checklist.

5. Funerals: booking at short notice

For a funeral, the 7-day rule does not apply. Call the duty phone 089 552 1180, which is answered 24 hours a day including weekends and public holidays. If equipment is in store, the crew sets it up within 6 hours of the call. Form CS-12 and a copy of the death notification certificate must then be handed in at Room 104 within 3 working days after delivery.

6. Loan periods and late return

Equipment for non-funeral ceremonies may be kept for up to 3 days, counted from the day of delivery. Funeral equipment may be kept for up to 7 days and extended once by a further 3 days, by calling the duty phone before the seventh day ends. Equipment kept longer than allowed is charged a late fee of 100 baht per tent per day and 1 baht per chair per day, deducted from the deposit or, for funerals, invoiced to the household.

7. Damage and loss

The crew and the borrower check the equipment together on collection and both sign the return checklist. Missing or damaged items are charged as follows: a lost or broken plastic chair costs 250 baht, a broken folding table 900 baht, a damaged microphone 1,200 baht, and a torn tent canopy is charged at the actual repair cost quoted by the equipment store. Funeral bookings pay the same damage charges.

> **Note.** If you disagree with a damage charge, write your objection on the return checklist before signing it and ask for a review within 7 days. Charges accepted without a written objection cannot be reviewed later.

8. When a booking may be refused or moved

- Municipal events take priority. No non-funeral bookings are accepted from 12 to 16 April (Songkran) or during the Don Sawan Kham Rocket Festival weekend in May.
- If the Disaster Prevention Unit issues a strong wind warning, the crew will not put up tents, and you may move your booking to a new date without charge.

9. Contacts and responsibilities

Ms. Waraporn Sitthiwong, Head of the Citizen Service Counter, is responsible for bookings, receipts and complaints about the service. Mr. Somkiat Phanwilai, Equipment Store Supervisor, is responsible for delivery times, the condition of equipment, damage assessments and damage reviews.
